

The City of St. Marys has signed an agreement with Nixle, LLC. to use its public notification services to deliver important and timely information to residents via text/SMS, e-mail, and Internet posts to the City's website. The real-time notifications can range from emergency alerts to routine day-to-day information. Anyone may sign up below to receive the notifications.

Below is an example of an alert that would be delivered via Email and/or text message.
