

REQUEST FOR PROPOSALS (RFP) FOR ROAD CONSTRUCTION

The City of St. Marys is requesting proposals for the paving and intersection improvements at K-63 and Mt. Calvary Road, and also improvements to Mt. Calvary Road in St. Marys, Kansas.

Project Location:

The project is located on Mt. Calvary Road between K-63 and North Second Street in St. Marys, Kansas

Project Scope:

The project consists of:

- Installing a 6" gravel base and a 6" asphalt surface, as per engineer's drawing
- Install pavement markings on Mt. Calvary Road from K-63 to North Second Street as per engineer's drawing
- Install new drainage tube and make improvements to the intersection at K-63 and Mt. Calvary Road, as per engineer's drawing

Additional Notes (please discuss with Bob Schindler, Street Superintendent, during site visit):

- Extend road project eastward to 2nd Street
- Extend curb and gutter on north side of Mnt Calvary Rd east to 2nd Street
- As possible, cut down to high point of Mnt Calvary 6" to 12" to improve visibility
- Extend Cedar Tree Lane 80' to the north for access to two new lots
- The City of St. Marys' can help with some parts of the project as deemed reasonable and cost effective. Potential areas for the City to help are with removing some or all of the existing street surface and base, traffic control, final grading of ditches, seeding, and erosion control. Please discuss with City representatives during site visit.
- The City utility crews will move electric lines and set water meters in the Spring of 2021, prior to road construction.

Project Timeline:

The project may begin after a bid is accepted by the St. Marys City Commission and must be completed by August 31st, 2021.

Required Services:

Required services consist of:

- Develop project cost estimates
- Offer suggestions and estimates for options to reduce cost and/or improve project

- Complete project as approved
- Provide insurance requirements per City's request

Proposals:

Proposals shall include qualifications of project personnel, a description of project scope and methodology, scheduling, and cost of services.

Sealed proposals marked "Mt. Calvary Road Project" will be accepted at the office of the St. Marys City Clerk, until **2:00 PM, Friday, February 26th, 2021. Address: St. Marys City Clerk, 200 S. 7th Street, St. Marys, KS 66536.** Please call the St. Marys City Office at (785) 437-2311.

The City Commission intends to accept a bid and award the project by March 2nd, 2021.

The City of St. Marys reserves the right to accept or reject any or all proposals submitted, for any or no reason.

For additional information, Street Superintendent, Bob Schindler may be reached at 785-250-8233, or emailed at smcstdept@gmail.com.
