## Be a part of history!

Few communities in Kansas have a longer or richer heritage than that of St. Marys.

Beginning near the site of the St. Mary's Mission to the Potawatomie in 1848, then becoming an important stopping point and trading center for those migrating westward, the tiny village that formed was incorporated into the city of St. Marys, Kansas on October 8, 1869.

Our history is a long and sometimes confusing one. The St. Marys Historical Society was formed in 1969 to preserve and share that history for future generations.

You can keep that history alive in many ways.

1. Visit the museum and tell others about it. 2. Learn more about and share our history. 3. Show your support by becoming a member of the St. Marys Historical Society.
