

## Permit Application for the use of Temporary Signs

Temporary signs are signs that are used for temporary functions, i.e. garage sales, fireworks stands and other short term functions approved by the Zoning Administrator.

Temporary signs shall meet all the applicable requirements in U.D.C Chapter 1, Article 19 – Sign Regulations.

No sign shall be attached to a telephone/electrical pole in any manner.

Application must be submitted to the zoning administrator at least one week prior to function.
