Acknowledgments

This document was prepared by the Plan Preparation and Landscape Resource Evaluation classes in the Department of Landscape Architecture/Regional and Community Planning at Kansas State University. Completed during the spring of 1997, the project was supervised by Dr. John Keller and Dr. Tim Keane, each of whom are professors in the Department of Landscape Architecture/Regional and Community Planning.

The following persons are responsible for the preparation of this plan. Individual names are listed and followed by the areas for which they are primarily responsible.

- Scott Bachman -- project co-manager, press releases, document management, editing, Introduction, and World War I Memorial Arch
- Shelli Barr -- project co-manager, document management, editing, Visioning, Downtown Business District, and Transportation and Parking
- Jeanne Baker -- natural resource evaluation
- Brian Becker -- natural resource evaluation
- Josh Debiasse -- valuable member of several teams
- Christophe Graz -- storyboards
- Li Jing -- Visual and Cultural Assets
- Sevini Kirinde -- Strengths and Weaknesses
- Tahir Latif -- Parks and Recreation
- Tom Nepl -- Land Use, GIS, photography, and natural resource evaluation
- Cindy Pauls -- Economics, database preparation, and data entry
- Sean Sauer -- Housing, community presentations, focus-group meetings, and "Planners-in-School" presentations
- Takuya Takano -- Population
- Robert Wilson -- natural resource evaluation

Illustrations in this document were produced by Christophe Graz, Li Jing, Tom Nepl, and Elba Villazana.

The authors wish to thank the following persons and organizations for their contributions to this plan:

- Steve Archer, City Manager, St. Marys, Kansas
- Bartlett and West Engineers, Inc., Topeka, Kansas

- Max Bayer
- Citizens of St. Marys, Kansas
- Fourth-grade classes at St. Marys Elementary School
- Mark Higgins
- Lyle Hornbaker, computer specialist, Coral Gables, Florida
- Brenda Krause, GIS Director, Pottawatomie County
- Pat Krause, Appraiser, Pottawatomie County
- Members of the community focus group
- Members of the Planning Commission, St. Marys, Kansas
- Merchants and other business owners who participated in the economic and drop-by surveys
- St. Marys High School
- *The St. Marys Star*
- United Methodist Church, St. Marys, Kansas
- Marsha Walsh, St. Marys Health Center

The authors also wish to express their sincere gratitude to Dr. John Keller and Dr. Tim Keane for their accessibility, time, guidance, and patience throughout this project.
